The only approved prisons for people to go into before required training is Colorado City, Childress. Before training, you are allowed a ONE-TIME only visit into these prisons. If you would like to try this ministry out and see if it is for you, please sign up for one of the events that are in the above mentioned units on or before the sign up date. If we attempt it more than once it could affect your opportunity to get in, in the future. If you are not already an approved volunteer and you feel led or called to continue in this ministry please respond by e-mail or phone call and we will get you an application and explain in more detail about the process.

After you have filled out your application and are approved you will need to do the following:

You must Call or E-Mail before or on the sign up date with your information to be able to go to the Prison event. **You will not be able to go on a event unless you have signed up on or before the sign up date.** We have to have your name and DL turned in 30 days prior to a visit. **NO EXCEPTIONS!**
